## SPRING COLLECTION

# Color Theory Vol. II

## Multi Purpose

Color Theory is a diverse assortment of coordinating drapery and multi purpose looks offered at value price point. Color Theory is packed with gorgeous saturated prints, chic embroideries, go-with stripes and checks across five books arranged by colour story.

**Mallard** is a refreshing mix of turquoises and teals accompanied by fashion-forward Kelly and hunter greens. **Rockstar** glams things up with greys ranging from sleek silvers to deep charcoals and black. Fresh, playful raspberry pinks pop in **Full Bloom** while soft, useable blush ties the whole look together. **True Blue** showcases every shade of blue from deep and inky to subtle Wedgewood tones. **Fool's Gold** mixes vivid golds with more subdued ochre, wheat and warm ivory for maximum style.

**Pattern Rave** is available to pass NFPA 701 with Alta treatment (5 yard minimum order for treatment)

## Classic Velvets

### Upholstery

Classic Velvets in an old-world inspired collection of cut-velvet designs perfect for residential and commercial applications. A timeless wide stripe, damask motifs and a stria stripe are shown alongside a more contemporary chevron and geometric. Elegant neutrals play off the saturated European colouring that Maxwell Fabrics is known for.

**All patterns pass between 30,000 – 135,000 double rubs for heavy duty upholstery**
