

COLLECTION XIII

The latest season of Telafina sees the brand continuing in an urban, modern luxe direction with a focus on natural fibers and tactile elements rendered in a pared-back palette to offer a backdrop for a chic lifestyle.

Telafina XIII is designed to layer upon previous designs and build depth with elevated textures and constructions.

CRISTOBAL

Upholstery

A show-stopping deep 100% wool pile, reminiscent of a plush sheepskin.

PICTURED CRISTOBAL

ONE YVES, TWO ROLAND, THREE MENDEL, FOUR LEROUX

ROLAND

Drapery

A subtle 92% wool blend semi-sheer adds a layer of natural, casement-style texture.

YVES

Drapery

Yves is an 87% wool blend drapery plain that takes inspiration from traditional menswear apparel fabrics to lend a sleek and dressy suiting look to any space.

JEAN PAUL

Upholstery

Jean Paul is a stylized dot motif in a rich, matte wool-like construction with a brushed hand for added softness.

MENDEL

Drapery/Bedding/Light Upholstery

Woven in America, Mendel is 100% linen triple-washed to create an ultra-soft hand and luxurious body for drapery, bedding and light upholstery. Colorways range from bone and natural linen tones to saturated navy and charcoal on custom-dyed warps for added depth.

ONE LEROUX, TWO MENDEL, THREE JEAN PAUL, FOUR LEROUX

LEROUX

Upholstery

This chunky two-tone wool blend boucle adds instant depth and layers beautifully with past Telafina patterns.

BOUCHRA

Drapery

A highly drapeable, light-filtering boucle construction, Bouchra is reminiscent of Italian fashion house Missoni's iconic knitwear textures.

ONE PETERMAN, TWO YVES

PETERMAN

Upholstery

Peterman is a 100% linen herringbone texture, woven in America, and is a classic, foundational construction with a light backing added for dimensional stability for upholstery use.
