PAINTED DESERT

With Maxwell’s Fall 2021 collection, modern & tactile desert minimalism meets the optimism & glamour of Art Deco, appropriate for ushering in a new Roaring Twenties.
1. **Jackson** - An add-on to our faux leather series Easy Rider. Jackson is a revolutionary PVC in that it mimics the ultrasoft and pliable hand of a PU with all the durability of a polyvinyl chloride construction. Jackson is a classic semi-matte hide look in a deep color-line with a handful of chic metallics.

2. **Pure & Simple XIV - Linen Looks** - Consider this a Pure & Simple “greatest hits” album. The palette is entirely neutrals, featuring a huge shade range of whites, all rendered in must-have natural-blend constructions for a modern, earthy clean look.

3. **Performance Wovens Vol. V: Badlands** - Performance Wovens is the ultimate cleanability performance series for residential and crossover contract upholstery. Exclusive, fashion-forward feature designs coordinate and complement a range of small-scale patterns, textures and solids, all styled by color. Badlands combines deep and sophisticated neutral tones of camel, caraway, dark oak, poppyseed and raw umber.

4. **Performance Wovens Vol. V: Paintbrush** - Paintbrush is a multicolor-story of burnt sienna, adzuki bean red, deep peacoat blue, juniper, aloe and goldenrod.

5. **Performance Wovens Vol. V: Silver Sun** - Silver Sun is a clean palette of palomino, mother of pearl and isabelline.

6. **Regency** - This exclusive collection of transitional and traditional drapery jacquards passes NFPA 701 for contract use as well as residential use and is available in a range of soft shades from silver, taupe and stone to spa and sunny canary yellow.

7. **Sheer Hangers** - These elegant sheers pair perfectly back to our decorative sheer collections. Chic batiste and voile qualities are shown with a breezy coastal linen/poly blend in a timeless selection of neutrals.

8. **Sheer Threads** - Boho meets deco with this decorative wide-width collection. Matte, natural-looking embroideries and textures are contrasted with subtly shimmering constructions in a palette from cloud white and wheat to mixed metals like platinum and rose gold.
