1. **ColorGuard - Amazonia:** Maxwell's new FibreGuard-by-color category, featuring exclusive designs that coordinate & complement a range of small-scale patterns, textures & solids. Amazonia's color story is inspired by the verdant shades of the tropics with chartreuse & palm greens paired with inky night sky navy & haint blue.
2. **ColorGuard - Nectar:** Nectar's color story combines marigold and mango with rich grenadine & port.
3. **ColorGuard - Nougat:** A creamy combination of natural tones from almond, miso & chantrelle to black walnut.
4. **Curled Up VII - Performance Upholstery:** A compilation of four plush performance textures in a rich colour line, all stocked with FibreGuard cleanability.
5. **Menswear - Plaids & Checks:** An ALTA-protected, multipurpose destination collection of plaids, checks & stripes rendered in flannelised & brushed textures & cozy chenilles.
6. **Wide-Width Drapery II:** Introducing seven new wide-width drapery patterns channeling the glamour of a vintage theatre, all rendered in a tonal, smoky palette.
7. **Studio Performance - Cashmere:** Maxwell's line of must-have, high performance upholstery solids & textures stocked with FibreGuard cleanability. Cashmere offers a range of neutrals from soft oyster & rattan to warm chinchilla & cool sharkskin greys.
8. **Studio Performance - Dragonfly:** Dragonfly combines seaglass-inspired blues & greens with a shot of citrusy chartreuse.
9. **Studio Performance - Fiesta:** Fiesta is a luscious combination of pomegranate, persimmon & candy pinks with a side of honey yellow.
10. **Pure & Simple XIII - Linen:** Maxwell's core drapery solids category gets an infusion of casual elegance with this memo-only collection of airy & classic 100% linens.
