# UPHOLSTERY PALETTES

2019 SERIES

NEWCOMER

Upholstery Palettes is a new color books series designed to provide chic, foundational upholstery designs from mid-scale to chair patterns with coordinating solids, all styled by color.

**Mimosa** combines honey gold with fresh Nantucket reds, vibrant modern pinks and warm russet.

**Laguna** ranges from deep and moody ink blue through modern, greyed mineral tones shot through with clean pear green.

**Fossil** runs the gamut of neutrals from slate to camel and sleek silver to cream.

2019 SERIES

NEWCOMER

Standout patterns include **Hyannis**, a multicolor texture created with mélange yarns to provide a fresh take on tweed. **Pepperland** is a contemporary scallop motif rendered in clear, modern colorways. **Hadrian** is a plush and chunky chenille with a contrasting dry yarn. **Clever** is a stylized painterly dot with a clean, natural-look ground cloth.

# VELVET ROOM

VELVET

MULTI PURPOSE

Velvet Room is ultimate go-to resource for upholstery, drapery and multi-purpose velvets of all textures from faux mohair and classic dry cotton looks to slub velvet and ultrasoft knits. This is a one-stop shop for every velvet look in a deep color line of rich tones and must-have neutrals.

**Barrymore & Bacall pass NFPA 701 for commercial drapery**

# PURE & SIMPLE XI

## LINEN LOOKS

### DRAPERY

Pure & Simple is Maxwell's category for drapery-weight textures and solids. The eleventh entry in the series pulls together fresh coastal constructions with a dry hand in a palette of contemporary neutrals.

Popular bamboo rayon article Panda from the Color Waves series has been booked in 11 new colorways.

**Patterns Adelaide, Kookaburra & Matilda pass NFPA 701**

# PURE & SIMPLE XII

FAUX SILKS

DRAPERY

Continuing to build our core drapery collection, the Pure & Simple XII covers classic faux silk looks from a slubby dupioni to a stria stripe. All constructions have a sleek hand and excellent memory for a variety of treatments. The entirety of the book passes NFPA 701 for commercial use.
