MAXWELL FABRICS

SERVICE BY DESIGN

WHY CHOOSE MAXWELL FABRICS?

Maxwell Fabrics is built upon more than beautiful, high-performance textiles. Our unparalleled client care and support are the foundation of the company. The Maxwell commitment to performance begins with service and extends to the technical and aesthetic elements of our products.

COVERING ALL BASES

Thoughtfully and intentionally merchandised product is a guiding principle for Maxwell as a service-driven company. Our core categories include **Performance Wovens**, a series designed to bring a luxurious hand and high style to performance upholstery, all designed from the weave up to pass ACT standards for public spaces. **Home & Garden** brings the indoors out with the confidence of high colorfastness to light and mildew resistance developed with the biggest names in indoor/outdoor innovation. Performance is the keyword in our **Easy Rider** line of faux leathers comprising highly durable PVCs to polyurethanes with remarkable hydrolysis performance, cleanability and stain resistance.
